

RAVEN'S NEST CHILD & YOUTH ADVOCACY

Cowichan Women Against Violence Society

Raven's Nest supports victims and witnesses of crime under the age of 19 and their caregivers as they navigate the criminal justice system. We strive to decrease the number of times survivors must tell their stories by providing centralized services and filling in communication gaps across systems.

If you have any reason to believe someone under the age of 19 is experiencing any form of abuse, you have a **LEGAL DUTY** to report.

Please call 1 (800) 663-9122 to make a report, available 24/7, or contact us and we can support you in making the report
